Proceedings of the Government of His Highness the Maharaja of Mysore,

Letter No. 109, dated the 27th August 1903, from the Deputy Commissioner, Mysore District, reporting in connection with the election of Inamdar , as one of the Representative Assembly Members for Taluk, that the total "beriz" of his inam village, as per quit-rent register, is only Rs. 190-4-0, and requesting instructions as to whether only the said amount or all the items of revenue realized by the Inamdar are to be taken into consideration for the purposes of clause (*b*) of Rule 3 of Notification No. 21572—F. 99-93, dated 10th June 1894.

No. G. 1434, DATED BANGALORE, 10TH SEPTEMBER 1903.

ORDER THEREON.—*Gutta* and other similar payments received by an Inamdar cannot be included under "beriz," which has reference primarily to the Survey valuation of villages. As the "beriz" in this case falls short of Rs. 500, the Deputy Commissioner is informed that Mr. is not eligible for election.

The Report on the working of the Hospitals and Dispensaries in Mysore for the calendar year 1902.

No. G. 1468, DATED BANGALORE, 12TH SEPTEMBER 1903.

REVIEW THEREON.—There were 135 Hospitals and Dispensaries in the State on the 1st January 1903, including the new Female Dispensary opened at the Kolar Gold Fields on the 9th September 1902. The total number of patients treated, both in-door and out-door, was 1,014,366, of whom 475,922 were men, 217,756 women and 320,688 children. Compared with the figures for the previous calendar year, the number of in-patients shows a decrease of 249, and that of out-patients a decrease of 11,223. Government share in the opinion expressed by the Senior Surgeon that the diminution in the number of out-patients treated in the several Hospitals and Dispensaries in the State during the year under retrospect, is due to the prevalence of plague. Among the 9,868 in-patients treated, there were 638 deaths against 671 among 10,117 treated in 1901.

2. The number of deaths in the Hospitals and Dispensaries from small-pox was four out of 84 cases treated during the year under review against three out of 314 cases treated in the year previous.

3. One hundred and twenty-two cases of cholera were treated in the Hospitals and Dispensaries, besides 15 cases treated by the Medical Officers and subordinates. Out of a total of 137 cases, 48 proved fatal.

4. The number of cases of fever treated during the year was 214,494 with 43 deaths against 230,231 with 31 deaths. Cases of eye diseases treated numbered 107,136 against 75,832 in the year preceding.

5. The surgical operations performed during the year numbered 17,078 or 327 less than in the year previous.

6. The total expenditure incurred on the Hospitals and Dispensaries was Rs. 3,16,449 against Rs. 3,27,105 in 1901. Contributions from Municipal and Local Funds amounted to Rs. 62,263. The percentage of total cost paid by Government was 82·70 against 83 88 in 1901.

7. The number of midwives on duty during the year remained the same as in the year previous, *viz.*, 89. The number of cases attended to by them was 4,780, of which 83 proved fatal. Ten pupil midwives were under training in the Cities of Mysore and Bangalore.

Correspondence ending with letter No. 129—89, dated 29th August 1903, from the Deputy Commissioner, Shimoga District, submitting the records relating to the two meetings held at Honnali on 22nd July and 12th August last respectively, for the election of Members of the Dasara Representative Assembly for the Honnali Taluk.

No. G. 1568, DATED BANGALORE, 17TH SEPTEMBER 1903.

ORDER THEREON.—The Deputy Commissioner of Shimoga received a petition from one Ranga Rao of Honnali, alleging that the Amildar of that Taluk had taken an unduly active part in the proceedings of the meeting which was convened on the 22nd July 1903 at Honnali for the election of Taluk Members for the Dasara Representative Assembly. The Deputy Commissioner deputed Assistant Commissioner Mr. Chokkanna to investigate and report on the matter. The latter officer, without obtaining a formal explanation from the Amildar in writing, reported that he "learnt from the Amildar that the selection of Members to represent the taluk, was done by nomination in preference to voting." There is, however, nothing on record in support of the Assistant Commissioner's statement that the Amildar himself nominated the Members and that the electors did not vote for them. He ought to have given the Amildar an opportunity to furnish an explanation in writing in regard to the alleged irregularity. As, however, the first meeting has already been set aside by the Deputy Commissioner and a second meeting convened under his orders, on the 12th of August last, the Government are not disposed to interfere with the second election, which is hereby approved.

2. In future, it should be understood that local officers have no authority to set aside elections without obtaining the previous orders of Government in each case.

The Medical and Sanitary Report of Mysore for the year 1902.

No. G. 1592—G. F. 5 of 1897, DATED BANGALORE, 19TH SEPTEMBER 1903.

REVIEW THEREON.—There was an increase of 5,608 births during the year under review being 88,875 against 83,267 of the year previous. The number of deaths, *viz.*, 108,958, was a slight increase over that of the preceding year by 57. The largest mortality was, as usual, due to fevers which accounted for 44,879 deaths or 606 more than the number in 1901. Deaths from small-pox numbered 6,968 against

6,477. The increase under "plague" was also considerable, 26,301 persons having succumbed against 11,936 of the previous year, the mortality being the highest since the advent of this epidemic. The number of deaths from cholera, however, fell from 11,351 in 1901 to 218 in 1902, of which the largest number (74 deaths) occurred in the Mysore District.

2. The birth rate for the whole State was 16·31 and the death rate 19·99 per thousand of the population. The Senior Surgeon notices that the birth rate is much lower than that for Madras (25.1) and Bombay (25·19) and attributes the difference to defective registration in the State. This may perhaps be true, and Government would be glad to consider any practicable proposals for improvement which the Senior Surgeon may have to submit.

3. The table of deaths from plague given in para 31, shows that April, May and June (the hot season) is the period during which there is the least of it, though only one District (Tumkur) was altogether free. September to December are the months when it prevails most, October showing the largest number generally. December was specially bad for the Mysore District (excluding the City), while Hassan, Shimoga and Bangalore City reached their largest figure in November.

4. Government share the doubt about the success of the attempt to combat Malaria by means of the extirpation of mosquitoes, on account of the enormous area over which this will have to be carried out; but it will be a gain even if, in selected places, some appreciable results can be acheived.

1. Correspondence ending with letter No. 689—J., dated 8th July 1903, from the Inspector General of Prisons in Mysore, on the subject of the introduction into Mysore of the rules in force in the Madras Presidency for the safe-guarding of desperate and notorious criminals temporarily confined in Sub-Jails.

2. Letter No. 792—53, dated 3rd August 1903, from the Inspector General of Police in Mysore, expressing his opinion in the matter referred to in the above.

No. 569-79—J. F., DATED BANGALORE, 7TH SEPTEMBER 1903.

ORDER THEREON.—In November last, the Inspector General of Prisons recommended the adoption of a suggestion made by the District Magistrate of Tumkur, namely, that rules may be prescribed for the safe-guarding of desperate and notorious criminals temporarily confined in District and Taluk Lock-ups in the State, on the lines of the rules obtaining in the Madras Presidency. The opinions of other District Magistrates and of the Inspector General of Police were thereupon called for. The former are generally in favor of the introduction of the proposed rules. The Inspector General of Police, while considering that the rules will be useful and may prevent or at least minimise the number of escapes which are now of frequent occurrence, points out at the same time certain practical difficulties in the enforcement of the said rules, such as the impossibility of providing a sufficient number of extra Policemen to guard the criminals (except under exceptional circumstances at district head-quarters) unless extra guards are sanctioned, and the insecurity of many of the Lock-ups for confining desperate criminals.

2. On a careful consideration of the matter in all its aspects, Government are convinced that the adoption of these rules is desirable. There have been of late several instances of escapes of criminals from Lock-ups, a fact which suggests the need for special precautions such as those enjoined in the rules. The Government do not anticipate that their adoption will entail any considerable additional cost. Whenever a desperate notorious or long-term prisoner has to be temporarily detained in a Lock-up or Police Station, special arrangements must be made to guard the Lock-up or Station, and it will generally be possible to provide the extra strength of guard, if any, required by indenting upon the available Police and other guards in the neighbourhood. Such occasions cannot be of frequent occurrence; and the extra cost that they actually entail can be ascertained when the system has been some time in operation.

3. The Government are therefore pleased to sanction the introduction of the Rules appended to this Order into all Lock-ups and Police Stations. The Inspectors General of Prisons and Police are requested to submit, for the information of Government, at the end of one year from the date of the introduction of the Rules, reports regarding the working and the financial effect thereof, in their respective Departments.

The Inspector General of Police in Mysore.
The District Magistrates.
The Comptroller to the Government of Mysore.

The following Rules are prescribed by Government for the safe-guarding of long term convicts and notorious criminals temporarily confined in the District and Taluk Lock-ups:—

When a long term convict or notorious criminal is confined temporarily in a District or Taluk Lock-up while under trial or otherwise, the following special precautions shall be adopted:—

(1) A special guard consisting of three Police constables shall be engaged to maintain a strict watch over such prisoner by night and day and such prisoner shall be locked up in a separate cell, if available.

(2) The ward in which the prisoner is confined shall be regularly searched at short intervals, and when a separate cell is provided, the special guard shall allow no one to approach the cell except the Jail officials, the person deputed to give the prisoner his food, the scavenger or other person specially authorized by the officer in charge of the Lock-up in writing.

(3) To enable the guard to watch the prisoner by night, a lantern shall be so placed as to throw a good light into the ward or cell. The key of the door of the ward or cell, shall be kept by the officer in charge of the special guard.

(4) The prisoner shall not be detained in the Lock-up for the longer period than is actually necessary, and both the officer in charge of the Lock-up and the senior Police officer in charge, will be held severally responsible for the safety of the prisoner.

(5) In the case of a long term convict who is confined in a Lock-up under the Prisoners Testimony Regulation, V of 1894, or who halts at a Lock-up *en route* to a Central or District Jail, the further precaution of imposing fetters should be observed. The fetters should ordinarily be removed during the prisoner's actual appearance in Court, unless in the case of an exceptionally dangerous or violent prisoner it is deemed unsafe to remove them.

NOTE—Similar precautions should be taken by the Police when such prisoners are temporarily confined in Police Stations.

A copy of these Rules in Kannada should be hung up in every Police Station.

READ AGAIN—

Government Order No. 4515-24—J. 451, dated the 22nd September 1900, regarding arrests of offenders in Mysore Territory by the Police of the Civil and Military Station as well as Railway Police in the absence of warrants from competent Magistrates.

READ ALSO—

1. Letter No. C. 1776, dated the 1st June 1903, from the Deputy Commissioner and District Magistrate, Kolar, soliciting instructions in regard to the powers of the Mysore Police to pursue and arrest offenders escaping into Railway limits under British jurisdiction.

2. Letter dated the 4th July 1903, (demi-official) from the Inspector General of Police, explaining the practice as regards the effecting of arrests in the Civil and Military Station on behalf of the Bangalore City Police, and in the City on behalf of the Station Police.

No. 660-63—J. F. 138 of 1902-03, DATED BANGALORE, 18TH SEPTEMBER 1903.

ORDER THEREON.—As there appears to exist some misapprehension as to the exact scope of the Order of 22nd September 1900, (read above), it is observed that the question considered therein was, whether an arrest in Mysore Territory made by the Railway Police with the aid of the local Police, or to put it more accurately, *made by the Mysore Police at the instance of and in concert with the Railway Police*, was irregular by reason merely of the absence of a warrant from a Magistrate in the Civil and Military Station of Bangalore. The ruling was that it was not irregular. It was by no means the intention to authorize the Railway Police to make arrests in Mysore Territory of their own act, and without reference to the local Police.

2. In the converse case referred to by the Deputy Commissioner of Kolar, it is obvious that the Mysore Police is not competent to make arrests in territory the jurisdiction over which has been ceded to the British Government, without the intervention of the British Police. This is also the existing practice; and Government do not apprehend that it can entail any avoidable practical inconvenience, provided timely steps are taken to invoke the aid of the local British Police.

(1) Government Proceedings No. 11525-34—L. F. 40-1900, dated the 11th January 1902, sanctioning, as a tentative measure for two years, the annual grant of a reward of Rs. 10, 8 and 5 respectively, to servants of the 1st, 2nd and 3rd class travellers' bungalows in the State for the best kept compounds and gardens.

(2) Letter No. 493, dated the 15th April 1902, from the Deputy Commissioner, Hassan District, enquiring if servants of inspection lodges are included in the competition for the annual awards sanctioned in Government Proceedings No. 11525-34—L. F. 40-00, dated the 11th January 1902, and suggesting that the order referred to may be extended to inspection lodges also.

(3) Letter No. 2939, dated the 23rd May 1902, from the Chief Engineer of Mysore, stating, in reply to this office docket No. 18338—L. F. 40-00, dated the 19th idem, that there appears to be no reason why the servants attached to inspection lodges should not be included in the competition for the said annual awards, it being desirable that the compound of these inspection lodges should also be kept neat and tidy like those of travellers' bungalows, and that the awards may be met from the fees collected for the occupation of the lodges.

(4) Government Proceedings No. 2923-31—L. F. 40-00, dated the 30th August 1902, asking the Deputy Commissioners to report how the rules sanctioned in the Order of the 11th January 1902 have worked and to submit a statement showing in how many travellers' bungalows gardens have been opened and in what state the compounds are kept.

No. 1139-49—L. F. 40-00, DATED BANGALORE, 9TH SEPTEMBER 1903.

ORDER THEREON.—The reports read above show that except in the Kolar and Shimoga Districts no particular improvement is noticeable in the state of compounds of travellers' bungalows.

2. The servants of inspection lodges also may be included in the competition for prizes, and rewards not exceeding the scale (*viz.*, Rs. 23) in a year may be continued, but should be awarded only in cases where more than ordinary merit is exhibited.

3. No further special report is called for, but the amounts awarded should be mentioned in the District Fund Administration Reports.

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No. 278 dated the 5th August 1903, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, expressing a doubt in connection with a letter addressed to the Deputy Commissioner, Chitaldrug District, by the Collector of Bellary, as to whether the Collectors of British Districts can correspond directly with the Deputy Commissioners of Districts on plague matters, on the ground that Order No. 5188-216—Mis. 995, dated the 8th November 1897, is quite silent on the point.

ALSO—

Letter No. 975 P. dated the 8th September 1903, from the First Assistant to the Hon'ble the Resident in Mysore, stating in reply to the reference made by this office, that there is no objection to the continuance of the practice of direct correspondence between the Deputy Commissioners of Districts in Mysore and the Collectors of the bordering British Districts in routine matters relating to plague.

No. L. B. P. 325-33, DATED BANGALORE, 19TH SEPTEMBER 1903.

ORDER THEREON.—Communicated to the Senior Surgeon and the Deputy Commissioners of Districts for information and guidance.

The Demand, Collection and Balance statements for the several Municipalities in the State for the quarter ending 31st March 1903.

No. 1047-56—L. F. 44-01, DATED BANGALORE, 1ST SEPTEMBER 1903.

ORDER THEREON.—The following statement exhibits the Demand, Collection and Balance under the head "Municipal Revenue" for the quarter ending 31st March 1903:—

No.	Municipalities	Number of Municipalities	Balance on 1st January 1903	Demand for the quarter	Total including balance	Collection during the quarter	Balance at the end of the quarter	Percentage of balance to total demand for the quarter
			Rs.	Rs.	Rs.	Rs	Rs.	Rs.

	Total ..	124	1,79,531	1,81,753	3,61,334	1,76,370	1,84,964	51·19

2. From the above it appears that the total demand, including the uncollected arrears of the previous quarter, was Rs. 3,61,334, of which Rs. 1,76,370 was collected, leaving a balance of Rs. 1,84,964 to be collected at the end of the quarter.

3. The percentage of outstandings to the total demand at the end of March 1903, in the Municipalities of the several districts and the Cities of Bangalore and Mysore, is as given below, and is contrasted with that at the end of December 1902:—

No.	Municipalities	Percentage at the end of—	
		December 1902	March 1903
1	Bangalore City	58·47	68·47
2	Bangalore District	26·39	8·26
3	Kolar do	40·96	28·39
4	Tumkur do	22·56	18 98
5	Mysore City	47·73	53·25
6	Mysore District	79 57	57·14
7	Hassan do	51·76	33·47
8	Shimoga do	56·79	14·18
9	Kadur do	44·05	64·84
10	Chitaldrug do	3 62	13·86
	Total ...	54·50	51·19

4. The percentage of outstandings at the end of March 1903 was more than that at the end of December 1902 in the Cities of Bangalore and Mysore and in the Municipalities of the Kadur and Chitaldrug Districts. The Presidents concerned are requested to take very early steps for the speedy collection of all recoverable arrears and to submit statements of irrecoverable items for the orders of Government with an explanation for the cause of increase in the quarter under review especially in the Cities of Bangalore and Mysore, whose finances are far from satisfactory.

5. The proportion of arrears to demand continues to be excessively high in the Municipalities of the Bangalore and Mysore Cities and in those of the Mysore and Kadur Districts. The balance should be reduced as much as possible, and a report of action taken should be submitted as already called for in para 2 of Government Proceedings No. 17-28—L. F. 44-01, dated 1st July 1903, and para 5 of Proceedings No. 489-98—L. F. 44-01, dated 30th July 1903.

No. 1021-30—L. F. 54-03, DATED BANGALORE, 1ST SEPTEMBER 1903.

ORDER—The Government observe that notwithstanding the clear instructions contained in the marginally noted Proceedings, the Deputy Commissioners and Presidents of the Local Fund and Municipal Boards sometimes omit to specify the source from which the cost involved in proposals submitted to Government for sanction, should be met, and thereby cause much avoidable delay and correspondence in the disposal of such proposals. The attention of the Presidents is drawn to the above orders, and they are requested to see that, in future, recommendations of the kind are invariably accompanied by information as to the source in the sanctioned Municipal or District Fund budget from which the cost involved could be met, as it will save much unnecessary correspondence and delay.

2. Para 3 of Proceedings No. 12252-58—L. F. 87-96, dated 24th January 1902.

To—The Deputy Commissioners and Presidents of Local Fund and Municipal Boards in the State.

READ—

Letter No. 77, dated 4th August 1903, from the President of the Municipalities in the Chitaldrug District, requesting that the date fixed for the submission of Municipal budgets may be changed from 1st to 30th March.

No. 1189-98—L. F. 280-92, DATED BANGALORE, 14TH SEPTEMBER 1903.

ORDER THEREON.—It is observed that under Government Proceedings No. 5805-15—L. F. 16-92, dated 28th October 1892, the monthly accounts from Municipal Presidents are due in the Comptroller's office on the 15th of the month following and the accounts of December must be ready in the Vice-President's office on or before the 10th January. As the figures of the first half of the year ending 31st December will be available in the Vice-President's office by the 10th or the latest 15th January, the same may very well be inserted in the budget statement and placed for discussion before the meeting held in the latter part of the same month. If the discussion of the budgets cannot be completed at the first meeting, it may be completed in a meeting to be held next week instead of deferring it to the next ordinary meeting to be held in the latter part of February. The budget may after approval be submitted to the President in the first or second week of February. Thus there will be ample time for the President's office to check the budgets and to submit them to Government before the due date, that is, 1st March. Moreover any proposal to fix a later date than the 1st of March will render it impossible for Government to pass the budgets before the commencement of the year to which they relate, which is absolutely necessary. Under these circumstances, the President's proposal to change the date for the submission of Municipal budgets to Government to the end of March, cannot be complied with.

Accuracy and punctuality on the part of the several Municipalities in the district should be insisted upon.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen & Rev. Depts.

To—The President of the Municipalities in the Chitaldrug District.
The Presidents of the Municipalities in the remaining districts for information.

REVENUE

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

Correspondence ending with the following letter No. 139, dated 14th July 1903, from the Deputy Commissioner, Kolar District, forwarded by the Revenue Commissioner, to the Secretary to the Government of Mysore, General and Revenue Departments:—

"I have the honor to state that the Muduvatti Agricultural Bank in the Kolar Taluk was started in 1897 with a loan of Rs. 5,000.

(2) The Bank has to pay Government loan in ten annual instalments of Rs. 500 each beginning *from 1900-01*. Though about three years have elapsed since then, the Bank has no paid even a pie up to date towards the loan.

(3) In 1902 orders were issued to recover the arrears within the end of that official year. As the same remained unpaid, a further notice giving three months' time was given, warning that coercive measures would be adopted under para 74 of the Articles of Association on failure to do so, but to no purpose.

(4) The excuse adduced by the President and the Agent of the Bank is that they have applied for extension of "Khists" to 20 years. Even at this rate they should have paid up Rs. 750 by this time, but they have not done so.

(5) The credit and usefulness of the Bank are no better than they were at the last inspection; if at all, they may be said to have deteriorated, as loan instalments are heavily in arrears and the office bearers have not taken any effective steps for the recovery thereof. The way in which the affairs of the Bank are allowed to drift reflects considerable discredit on its management.

(6) It is reported that all the loans have been monopolized by the President, the Agent, the Directors, and two other members, one of whom is a near relative of the Agent and the other a co-casteman.

Instead of utilizing all sums recovered by the Bank from the members in paying off the Government loan after the receipt of orders about repayment in ten instalments, the Directors have, in spite of repeated demands, re-issued the amount as fresh loans to themselves or other relatives. To avoid irregularities or inconveniences of granting frequent extensions of time, loans are entered in the accounts as having been returned by and re-issued to members on the same day. There appear to have been no money transactions beyond book entries.

(7) Mr. K. R. Srinivasiengar, Assistant Commissioner in charge of Kolar Taluk, seems to have pointed out these irregularities and warned the President and others that they must be prepared for the withdrawal of the loan, if they do not pay arrears in a month and mend matters.

(8) As it cannot be expected that the Bank will continue to be looked after honestly and pay Government loans regularly, as the office-holders have proved themselves unworthy of the trust reposed in them and of the beneficial help afforded by Government, and as there is not chance of their being removed and more competent and disinterested men elected by the members, who are mostly illiterate and unintelligent, I am of opinion it is quite justifiable to withdraw the loan at once.

(9) Further information on several irregularities are given in the accompanying report of the Assistant Commissioner, submitted after inspection of the Bank."

(ENCLOSURE.)

Report on the Inspection of the Agricultural Bank at Muduvatti, Kolar Taluk.

1. The Bank accounts were examined from 8th to 12th June, and the Bank premises inspected on 26th June 1903.

2. (i) There is a duly registered office at Muduvatti. It is located in the house of Ramappa, who is one of the Directors.

(ii) There has been no change in the office since the last inspection by the Amildar in September 1902.

3. (i) The Bank is said to be open for transaction of business from 3 P.M. to 6 P.M. every day including Sundays.

(ii) The suggestion made by the Amildar at the last inspection to put up a board denoting the hours of business, has not been adopted by the Bank up to now.

4. The Bank accounts, documents, registers, etc., are in the custody of the Agent, all of them being kept in the Bank premises in a box, the key of which is with the Agent.

5. There are six villages attached to the Bank, all of which were duly registered at the time of the formation of the Bank. Of these, Guliganhalli is about five miles from the Bank, while the remaining five are within a mile from it.

(ii) The majority of th members live at Muduvatti. Two of the Directors reside at villages within a mile from Muduvatti. The other office-bearers (including the Agent and President) live at Muduvatti itself.

(iii) No new village has been added to the Bank since the date of its formation.

6. (i) There were 29 members on the rolls at the date of last inspection. Four more have since been added on to the list after due election, so that the total number of members at present is 33.

(ii) The addition of the new members has not increased the credit of the Bank, as their properties had all been already hypothecated to the Bank with their consent by President Krishnappa, who was a co-hissedar with them in the lands.

(iii) The credit and usefulness of the Bank are no better than they were at the last inspection. If at all, they should be said to have deteriorated, as loan instalments are heavily in arrears and the office-bearers have not taken any effective steps for their recovery. In consequence of the failure of the members to discharge their obligations punctually, the Bank has been without funds for some months and has consequently not transacted any real business during these months.

7. (i) A Register (No. VII) is maintained of the properties of the members. But the value of the properties appears to have been over-estimated in the register. The names of the khatedars and the share possessed by each member in the lands shown against his name are also not correctly entered in the register.

(ii) As stated in para 6 (i), the four members recently admitted have not brought any additional property to the Bank.

(iii) There has been no new acquisition or relinquishment of lands by members after the last inspection.

(iv) No rules have been passed or guarantees obtained by the Bank against alienations and relinquishment of property by members. The Bank should frame proper rules to guard against such acts.

(v) The net value of the properties of the members is now Rs. 16,810 as against a liability of about Rs. 5,100 which is due by the Bank to Government (Rs. 5,000 towards the loan and about Rs. 100 towards the balance of interest to the end of June 1903)

8. (i) The Bank's funds at present amount to Rs. 5,077-11-6 as follows :—

		Rs.	a.	p.
Receipts—				
Loan from Government ...	...	5,000	0	0
Entrance fees ...	...	16	8	0
Receipts towards interest from Members	...	1,297	4	1
Total	...	6,313	12	1
Deduct—				
Expenditure up to date—				
Interest paid to Government ...	...	1,001	0	11
Contingencies, establishment and printing charges, etc.	...	234	15	8
Total	...	1,236	0	7
Balance	...	5,077	11	6

It will be seen that this amount (of which Rs. 5,077-8-0 is outstanding with members as loan and Re. 0-3-6 is in the hands of the Agent) is in excess of the limit of Rs. 5,000 fixed at the formation of the Bank. The excess is due to the fact that the Bank while adding to its capital by recovering interest from members has not made any payment up to now towards the repayment of the Government loan in spite of repeated demands and warnings.

(ii) The way in which the affairs of the Bank are allowed to drift without any serious attempt being made to ensure punctual repayment of loans by the members, reflects considerable discredit on its management. The arrears amount to nearly Rs. 2,000 as will be seen from para 14. Unless there is a better realization by the members of the fact that the success of the Bank depends on thrift, punctuality and straightforwardness, I am afraid it is bound to end in failure.

9. According to the latest communication received from the Inspector of Agricultural Banks, the Bank was to pay off the Government loan in ten annual instalments of Rs. 500 each beginning from 1900-01. Though about *three years* have elapsed since then, the Bank has not paid *even a pie* up to date towards the loan. The excuse set up by the President and Agent is that they have applied for permission to repay the loan in 20 years instead of 10 years as ordered by Government. Even at this rate they should have paid up Rs. 750 by this time which they have not done. The office-bearers hardly seem to realise the risk they run by ignoring the repeated warnings given to them. It is true that, as represented by the

members, the seasons have been very unfavorable, in these parts for some years. But this cannot justify the utter disregard of the interests of the Bank shown by the absence of any earnest attempt on the part of the office-bearers to recover the outstanding arrears of instalments. In fact, when it is considered that all the loans have been monopolized by the President, Agent, the Directors and two other members, one of whom is a near relative of the Agent and the other a co-casteman, there is considerable room to believe that the Banks dealings are not commendable, and that there is no likelihood of matters improving unless the present office-bearers are changed and a more disinterested set of men selected in their place. The present office-bearers have, in my opinion, proved themselves to be unworthy of their place by sacrificing the interests of the Bank to serve their own selfish purposes. The apathy they have shown to repeated warnings is remarkable. As stated above, they received the orders of Government in April 1901, to the effect that the Government loan was to be paid in ten annual instalments of Rs. 500 each from June 1901. Instead of utilizing all sums recovered by the Bank from the members after the receipt of the above order in paying off the Government loan, the Directors have, in spite of repeated subsequent demands, re-issued the amounts as fresh loans to themselves or their relations. A sum of Rs. 1,170 has, as seen from the accounts of the Bank, been thus issued as fresh loans to members after the Directors received the order about the repayment of the Government loan. The above amount does not include the numerous cases of book-transactions in which, to avoid the irregularity or inconvenience of granting frequent extensions of time, loans are entered in the accounts as having been returned by and re-issued to members on the same day. Such an action on the part of the Directors argues an absolute disregard and defiance of the order of Government. With such an apathetic, inactive and selfish attitude on the part of the present office-bearers, it cannot be expected that the Bank will continue to be looked after honestly and in the best interests of itself, of the Government and of all the members. The members are mostly illiterate and unintelligent, so that there is no chance of their removing the present office-bearers and electing more competent and disinterested persons in their place. In these circumstances, as the present office-holders have proved themselves unworthy of the beneficient help offered by Government, I think it will be quite justifiable to withdraw the Government loan. I have warned the President and others that they will have to be prepared for the withdrawal of the loan if they do not pay off within a month the instalments due to Government and give evidence in future of greater disinterestedness as well as energy in the recovery of the amounts due to the Bank.

10. No loans or deposits have been received by the Bank from private individuals. Considering the present condition of the Bank and the way it is looked after, it is not likely that anybody will have confidence enough in it to make deposits in or advance loans to it.

11. (i) The Cash Book was compared with Ledgers, Receipts, Cheques, etc., and was found to tally with them.

(ii) The disbursements were duly authorized.

(iii) The establishment charges consist of Rs. 2 a month, being the pay of a peon. The charge is real and not fictitious. The rule about members rendering gratuitous service is duly observed.

(iv) The date of the last entry in the Cash Book was 6th May 1903, and the cash balance on that date was Re. 0-3-6. There have been no instances, since the date of last inspection, of the cash balance in the hands of the Agent exceeding the prescribed maximum. Seeing that very little money has passed through the Bank for the past one year, there was little opportunity for the retention of an excessive cash balance by the Agent.

(v) The results of the Bank's cash transactions up to date from the time of its formation are shown in the subjoined statement :—

As remarked in para 9, a large number of the transactions were only book entries, no cash having been received or paid by the Bank, but amounts and instalments overdue by members being entered in the accounts as having been received and re-issued as fresh loans on the same day. Such procedure appears to be irregular and should, I think, be prohibited. If transactions of this sort be omitted and only loans *in cash* be treated as fresh loans, there will be an appreciable reduction in the total cash transactions shown in the above statement.

(vi) The cash balance sheet submitted by the Bank for the half year ending December 1902, is not forthcoming as it is said to have been prepared on a loose sheet which is missing. It is not therefore possible to check it.

12. Besides the provisions contained in the articles of association, no limit has been prescribed by the Bank as to the value of the landed property to be offered as security for a loan.

(ii) No complaints have come to notice of refusal of loans to members when money was available in the Bank. The Bank has not had any money for some time for issuing loans. As already remarked, the entire amount has been taken up by the office-bearers and two members related to them.

(iii) Objects of loans are generally given in the darkhasts

(iv) No instance of loans being obtained for purposes of trading or private banking, has been brought to notice.

13. The mortgage deeds were examined and found to be in proper form and duly registered, 1st class loans are made on the mortgage of the entire landed property belonging to the members. No second loan is said to be advanced to the same member unless he acquires some new land and offers it as security. But in making the 2nd loan, only the new lands are mentioned in the mortgage deed so that there will be no hold on the other lands on this deed after they are redeemed from the 1st loan for which they are offered as security. I have explained to the Agent the inadvisability of adopting such a course.

(ii) The amount of loans outstanding against members at time of inspection was Rs. 5,077-8-0 as shown in the subjoined statement :—

NOTE—Raghaviah (No. 2) is brother-in-law of Agent Venkatappa; Subbiah (No. 9) is said to be a co-casteman.

14. (i) As has been already remarked, punctuality is not observed in the payment of dues by members. The rule for punctual payment, is, as previously stated, frequently evaded by the members, who, instead of making cash payments have payments, nominally recorded in the registers and re-draw the amount the same day as a fresh loan so that beyond book entries, no money actually passes through the Bank in such cases.

(ii) Almost all the members against whom loans are outstanding are defaulters. The list includes the President, all the five Directors and two members related to one or more of the office-bearers. The amount of *instalments* of 1st class loans overdue remaining unrecovered from them comes to Rs. 1,633-12-0. The amount of 2nd class loans overdue is Rs. 300. No loans of the 3rd and 4th classes are outstanding against members. The arrears of interest remaining unrecovered amounts to over Rs. 300.

(iii) The defaulting members say that they would pay off their loans soon, but I have no faith in their promises.

15. (i) The surplus remaining to the credit of the Bank amounts to Rs. 327-8-0 as shown below :—

Assets.	Amount.	Liabilities.	Amount.
	Rs. a. p.		Rs. a. p.
I Loan outstanding with members ...	5,077 8 0	I Government Loan	5,000 0 0
II Interest due and recoverable from members to end of June 1903.	About 350 0 0	II Arrears of interest due up to end of June 1903.	100 0 0
Total ...	5,427 8 0	Total ...	5,100 0 0
		Net surplus	327 8 0

(ii) No reserve fund has been formed by the Bank.

(iii) Besides the surplus of Rs. 327-8-0 above referred to, the Bank has no other assets

16. The rules for convening and conducting meetings of the General Assembly are generally understood. But very often the meetings had to be adjourned owing to want of a quorum, thus showing that the members do not take sufficient interest in the Bank. After the last inspection of the Bank, a meeting of the General Assembly was held on 25th September 1902. There have been no meetings either ordinary or extraordinary since then. In March 1903, a meeting was called but was not held owing to want of a quorum. In fact, in the present state of the Bank with no funds at its disposal and with all the office-bearers considerably in arrears, the members cannot have any business to transact excepting perhaps the recording of resolutions repeating their prayer for extension of time for repaying the Government loan.

17. No book is maintained of the meetings held by the Directors and the business done or resolutions recorded by them. It is therefore not possible to say how often they have met since last inspection. There do not seem to be any rules framed as to when and at what intervals they should meet. It is said that they meet when there is any business to be done, the Agent sending intimation to them on such occasions.

18. The Agent keeps the accounts. The accounts are said to be audited twice a year by two or three of the members selected by the General Assembly. There has however been no audit as yet for the half year ending December 1902.

19. The Registers were all examined. I append below remarks about their condition :—

I Register of members ; II Applications for loans—

These are all right.

III Cash book—

The entries were checked and found correct.

IV Ledger—

(a) Mistakes have been made in the calculation of interest.

(b) A payment made by Krishnappa has been credited towards the principal when the interest was considerably in arrears. This has been directed to be rectified.

(c) On the receipt side the particular loans to which payments relate are not noted. The Agent was directed to do this in future.

(d) There were a few mistakes in entering dates and figures evidencing carelessness in writing up the register.

V Register of Proceedings of the General Assembly—

This is maintained all right.

VI Register of balance sheet ; VIII Register of monthly cash abstract—

(a) No separate registers are maintained for these. Only a single register is kept in which the monthly cash abstracts are entered as also the half-yearly balance sheets which are prepared from them.

(b) The balance sheets for June and December 1902 were, however, not entered in the register. They were prepared on loose sheets. The balance sheet for December 1902 was not available for inspection, as the loose sheet in which it was entered was not forthcoming. The Agent was directed to see that the balance sheets were all entered in future in the register and not on loose sheets.

VII Property Register—

(a) The value of the properties appears to have been over-estimated.

(b) The names of the khatedars are not correctly entered in the register.

(c) Columns 15 to 17 are not correctly filled in. The Agent was asked to get the whole register re-written again correctly.

IX Register of bonds—

According to the register 14 documents should remain on hand but there are only 13 now with the Bank. One document is said to have been returned to the party, but the fact is not noted in the register. The omission was directed to be rectified.

X Receipts by Bank—

No register is kept of receipts given by the Bank. A register with duplicate forms in counterfoil may be used by the Bank for this purpose.

XI Depositor ledger—

This is not maintained as the Bank has no private depositor.

XII Treasury pass book—

Kept all right. No amount has been issued from the Treasury from June 1898.

XIII Challan book—

Kept all right. The last chellan issued was on 9th January 1903 for a payment of Rs. 100 towards interest.

XIV Cheque book—

All right.

XV Receipts by members to Bank—

This is kept all right. All receipts in favor of the Bank (whether by members or others) are entered in this register.

XVI Register of Directors ; XVII Register of Proceedings—

These registers are not maintained.

XVIII Register of application of loan—

This is not maintained. The Agent says that not knowing in what form this should be kept up, he wrote to the Inspector of Agricultural Banks on 29th September 1902, for a form of the register, but has not got any reply yet.

XIX Register of contingent charges—

Not maintained.

XX Register of disbursements of pay to establishment—

Not maintained. Receipts are taken in Register No. XV itself.

XXI—XXII Register of from and to letters—

All right.

XXIII Visitors' book—

Not maintained.

20. Beyond repeating my previous observations about the selfishness, carelessness and indifference to the Bank's interests, displayed by the present office-bearers, I have no further remarks to make.

No. R. 901-3—R. F. 27-97, dated Bangalore, 12th September 1903.

Order thereon.—From the papers read above, it is clear that the Bank has neither adhered to the terms offered by itself and approved by Government, for repayment of the Government loan, nor paid anything towards it, notwithstanding repeated demands made and timely warnings given. The inspecting officer further brings to notice many omissions and irregularities in the affairs of the Bank, which, he thinks, the Bank cannot, under the present circumstances, hope to rectify. Government therefore direct under para 75 of the Articles of Association, that the loan of Rs. 5,000 made by it to the Bank be at once recovered with interest and costs, if any. The Deputy Commissioner, Kolar District, is requested to take very early steps under Regulation No. II of 1903 and para 74 of the Articles of Association, for the realization of the money due to Government, by giving three months' notice and by proceeding first, against those members of the Bank who are debtors to the extent of sums due by them and then against others for the balance.

2. The letter of the Deputy Commissioner, read above, should have come direct to Government and not through the Revenue Commissioner in Mysore.

READ—

The tenth annual report of the Rainfall Registration in Mysore for 1902, submitted by the Director of Meteorology in Mysore with his No. 63, dated 7th August 1903.

No. R. 831-9—R. F. 51-97-8, DATED BANGALORE, 7TH SEPTEMBER 1903.

ORDER THEREON.—Government have perused the report with great interest.

2. Government note with dissatisfaction that notwithstanding repeated orders, the District Officers (except Chitaldrug) have left many stations without inspection. Government concur with the Director in considering that such inspections, while costing very little trouble, are of considerable use in ensuring correct record of rainfall data, and hope that every station will be inspected at least once a year. Any deficiency in this matter will be noticed by Government.

3. The heaviest rainfall in 24 hours was at Arlagode in the Shimoga District on the 15th July 1902, the quantity gauged being 10·91 inches.

4. The heaviest rainfall recorded during the year was, as in the three previous years, at Agumbe in the Shimoga District, the total quantity being 286·60 inches. The smallest quantity gauged was 11·45 inches at Rampur in the Chitaldrug District.

5. The average rainfall for the whole State was 38·49 inches or 0·95 inches less than the average for 1901 and 3·53 inches more than the average for the past 33 years (1870-1902) as shown below :—

Districts	Average for 1902	Average for 1901	Average for 33 years, 1870-1902
Bangalore	29·86	34·35	30·01
Kolar	33·47	27·75	27·75
Tumkur	27·64	28·27	25·79
Mysore	27·17	32·94	27·40
Hassan	41·92	39·51	36·14
Shimoga	74·24	70·14	66·70
Kadur	66·22	61·23	61·20
Chitaldrug	26·54	21·38	21·11
Total ...	38·49	39·44	34·96

6. The statistics of rainfall for each of the 27 Hindu "Nakshatras" as well as the diagrams given may, as usual, be published in Kannada in the Gazette.

7. The Director of Meteorology in Mysore is requested to distribute copies of the report as heretofore and forward 18 more copies to this office.

No. FL. 890-8—R. F. 38 of 1900-1, DATED BANGALORE, 21ST SEPTEMBER 1903.

ORDER THEREON.—Except from the Kolar District, the above statements were not received within the time prescribed in Government Order No. 2067-76—R. F. 38-1900, dated 10th November 1902. The return from the Bangalore District was received after a lapse of more than six months. Such delays must not occur in future.

2. Leaving out the Chikmagalur and Saklespur Agricultural Banks, which are separately dealt with, there are 59 banks carrying on transactions. Of these, only 13 banks paid the instalments in full. The other banks (except four in the Mysore District, the instalments wherefrom begin from 1902-03) were in arrears to the extent noted below :—

Demand, Collection and Balance statement of repayment of loans granted to Agricultural Banks in the State (excepting the Coffee Banks at Chikmagalur and Saklespur).

3. Except in the Bangalore and Kadur Districts, the amount of interest due to Government on the sums advanced had also not been fully paid. This is not satisfactory. The Deputy Commissioners of Districts (except Hassan) are requested to issue suitable instructions in the matter.

4. A consolidated statement prepared upon the information furnished by the Deputy Commissioners and with reference to orders issued by Government from time to time, is attached for information and future guidance.

5. The information given by the Deputy Commissioner, Bangalore District, under column 5 "Year from which the instalments are to commence," was found incorrect in most cases. It has been correctly entered in the statement with reference to orders on the subject. The change effected in the case of the Tyamagondlu bank, whereby the instalments were made to begin from 1899-00, instead of 1896-97, as approved by Government in Order No. R. 2067-76—R. F. 38-00, dated 10th November 1902, should have been reported to Government.

Letter No. 121, dated 5th December 1902, from I. H. Burkill, Esq., M.A., Officiating Reporter on Economic Products to the Government of India, to the Secretary to the Government of Mysore, Revenue Department, Bangalore.

I have the honor to submit to you the seventh Annual Report and Programme of Collections for the Indian Museum, Calcutta, and the Imperial Institute, London, and with the copy for yourself to supply two extra copies, so that you may be able to distribute it among your Officers.

In again asking your kind assistance in the collection of materials for our work, I may be allowed to press for as great attention to crops as you have leisure to give, and to ask especially for the collection of the different kinds—strains or "jats"—which are cultivated in your district or districts. Your help in this direction will mean something towards a much needed Agricultural Survey of India. If the object for which the help is asked should need illustration, I would refer to Major Prain's Report on the Mustards of Bengal published as The Agricultural Ledger No. 1 of 1898; and explain that it is desired similarly to report on the crops of all India. You will observe in the Programme that on page 59, under Brassica, request is made for botanical specimens of all cultivated forms of mustards, and on page 147 under Panicum for similar specimens of all kinds of millet; the same request extends to the onions (pages 42-43); and (page 154) to the fruit trees of Upper India. In brief, botanical specimens of all kinds of crops not hitherto collected will be more than acceptable.

No. R. 962-74—R. F. 70-93-4, DATED BANGALORE, 19TH SEPTEMBER 1903.

ORDER THEREON.—In October 1895, the co-operation of the Durbar was invited by the Government of India for the revision of the Dictionary of Economic Products, and in Government Order No. 1251-63—R. 477, dated 31st July 1896, certain officers in the State were requested to arrange to collect as much information as possible, on the lines indicated in the skeleton scheme of revision. In the letter now read *in extenso* in the preamble, Mr. Burkill asks for assistance in the matter of collecting materials needed towards the Agricultural Survey of India in respect of the crops cultivated in this State. In April 1900, a few selected officers were requested to prepare Monographs on certain crops, but for one reason or another, they have not been able to show any result. For the purposes of Mr. Burkill's inquiry, the name of the Agricultural Chemist in Mysore readily suggests itself, but it would, however, take up a very long time for Dr. Lehmann to work up the various crops by himself. It appears therefore desirable to call for reports on selected subjects from District Officers and to appoint a specially selected officer to compile the results.

2. The Government, however, consider that Dr. Lehmann may help the enquiry by drawing up, in consultation with the Director of Statistics and the Superintendent of the Government Gardens, a list of the points—which need not necessarily be in the form of questions—on which information relating, to start with, to the staple crops grown in the State may be required. He may also obtain specimen copies of the Government of India Ledger Series already published, such as the one on Jawar. These papers, which may include the information contained in Buchanan's travels or in Mr. Rice's Gazetteer for purposes of comparison with existing facts, will then be printed, and copies sent to the Deputy Commissioners, Assistant Commissioners, Survey Officers and intelligent Amildars working in the Districts in which the crops are grown, with instructions to collect all possible information on the various points mentioned in the list from cultivators, merchants, and all persons likely to know, and to submit the results by, say, the beginning of June every year as long as the inquiry continues. In the meantime, a suitable officer will be selected, who will concurrently with the District Officers, collect all the information he can, and he will then arrange the material thus provided, and prepare readable monographs on the various crops, dealt with on the lines of the Agricultural Ledger Series published in the British Provinces. The advantages of this system are that the compiler will not be limited for material to his own experience and enquiries, but will have before him information collected from the whole State.

Correspondence ending with letter No 1531—64, dated 8th August 1903, from the Excise Commissioner in Mysore, submitting for the approval of Government a modification of Rule 13 contained in G. O. No. 2074-83—R F. 166-92, dated 2nd August 1901, so as to make it clearer.

No. 274-83—R. F. 166-92, DATED BANGALORE, 21ST SEPTEMBER 1903.

ORDER THEREON.—The modification proposed by the Excise Commissioner is approved.

The Rule as thus modified will stand as follows :—

"Where an Inam village is entitled to Excise revenue, but has only toddy-yielding trees, from which the proprietor used to derive revenue from Government contractors under the farming system, it should get an annual lump-sum grant calculated, and fixed once for all, on the population of the village according to the most recent Census. As the Government Excise revenue of the taluk in which the alienated village is situated, is to the population of the whole taluk *excluding* the population of the Inam village, so should the revenue of the alienated village be in relation to the population of the village."

PETITION

Proceedings of the Government of His Highness the Maharaja of Mysore,

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Appeal No. 109 of 1902-03.

Appellant	*Versus*	Respondent
Sidda.		Kollapuri.

Subject.

Appeal against the order of the Deputy Commissioner, Tumkur District, referring the appellant to a regular suit in respect of his claim to the toti office of Gubbi Amanikere.

Facts of the Case.

In June 1893, the appellant, who is the registerdar toti of the Gubbi town, advanced his claim to the totiship of Gubbi Amanikere. The enquiry which followed showed that no separate toti was appointed to the Amanikere either prior or subsequent to the Survey settlement in 1887, but that since then the respondent had been doing the work for over 12 years. The Deputy Commissioner Mr. M Narain Rao thereupon declined to disturb the respondent and referred the appellant to a regular suit. On appeal the Government in their Order No. 5144—Rev. 871, dated 10th January 1901, acquiesced in the Deputy Commissioner's order and the same was also communicated to the appellant through the Deputy Commissioner. Not satisfied with these orders, the appellant has now appealed to the Government.

Decision.

The Deputy Commissioner has rejected appellant's claim to the toti service of Gubbi Amanikere. This is an appeal against the Deputy Commissioner's order. No reasons have been shown why the Deputy Commissioner's order declining to disturb the respondent who has been long in possession should be set aside.

Appeal rejected.

No. 268—P. F. 56-03, DATED BANGALORE, 1ST SEPTEMBER 1903.

Copy of the above is forwarded to the Deputy Commissioner, Tumkur District, together with the records received with his letter No. 565, dated 20th February 1903.

Appeal No. 21 of 1902-03.

Appellant		Respondent
Munisawmireddi.	*versus*	Ramaswamireddi.

Subject.

Appeal against the order of the Deputy Commissioner, Kolar District, directing the appointment of the respondent to the pateli office of Kandavaradakere, Chikballapur Taluk, in succession to the last holder, and overlooking the prior claims of the appellant.

The facts of the case are clear from the following :—

Decision.

The last holder of the pateli office was one Narsimhareddi, who died in 1900 without issue. He was brother of the penultimate holder Pemmureddi, father of

appellant, Munisawmireddi. The respondent and Narsimhareddi, now on the record, are also sons of two other brothers of Pemmureddi. The parties thus stand in the same degree of relationship to the last holder. Appellant, however, represents the eldest brother, Pemmureddi. His claims appear to have been set aside on the ground that he had been convicted of theft. From the finding of the Sub-Division Officer, however, it is clear that the offence was committed 26 years ago, when appellant must have been quite young, and the Sub-Division Officer further thinks that appellant has for a long time borne a good character.

2. Government decide that there are no grounds for overlooking the claims of the appellant, who is the son of the eldest brother and penultimate office-holder, and accordingly order that the patel of Kandavaradakere be registered in the name of appellant, Muniswamireddi. Appeal allowed.

Appellant	*Versus*	Respondent
Talawar Seeba of Kempana Dodderi village, Tumkur Taluk.		Talawar Puttaranga.

Subject.

Appeal against the order of the Deputy Commissioner, Tumkur District, directing the appellant to pay miras to the respondent on the lands held by the former.

Facts of the Case.

The respondent, who is the officiating talawar of the village, filed a suit in 1898, before the Amildar against the appellant for the recovery of the miras due to him for three years from 1895-96 to 1897-98 on the lands held by the latter in the said village. The Amildar, after an enquiry into the matter, directed the payment of miras for three years; but on appeal the Deputy Commissioner held that only one year's miras was payable by the appellant on the entire extent of land held by him, as a summary suit could be entertained only for one year's miras. The appellant now contends that being a talawarike hissedar, he is not bound to pay miras and that if otherwise his liability is limited to the lands actually cultivated by him during the year for which miras has been claimed.

Decision.

The appellant may be a hissedar in the talawarike office; but this does not save him from the liability to pay miras on the land cultivated by him. The order that he should pay miras is correct, and this appeal is accordingly rejected. The miras, however, is payable only on the extent actually cultivated. If more land was subjected to payment as appears probable, the order of the Amildar will be revised to this extent.

Appellant Timmanna.

Subject.

Appeal against the order of the Deputy Commissioner, Kadur District, cancelling the sale of Survey No. 71 of Hochihalli village, Kadur Taluk.

Facts of the case.

On 20th May 1901, one Hochihalli applied for the grant of Survey Nos. 71 and 69 measuring 33 acres and 10 guntas and 21 acres and 18 guntas and assessed at Rs. 12 and Rs. 5-8-0, respectively, for cultivation. As the lands contained some toddy and other trees of the value of Rs. 11-3-9 and Rs. 5-5-9, the Amildar directed the lands to be sold by public auction. After due publication of the sale notice on 12th September 1901, the lands were sold by the shekdar on 24th September 1901. There having been no bidders for Survey No. 69, Survey No. 71 was knocked down to the appellant for Rs. 12, which was deposited by him on the same date. As the land Survey No. 71 contained toddy trees, the sale proceedings were, in pursuance of the Deputy Commissioner's order, submitted to the Excise Commissioner, who ordered that the land should be reserved for toddy grove. This fact was intimated by the Deputy Commissioner to the Amildar, who informed the appellant that the land could not be given out for cultivation and that he should receive back the sale amount. The appellant refused to take back the money and has appealed to Government praying that the land might be granted to him for cultivation.

Decision.

This is an appeal against the order of the Deputy Commissioner cancelling the sale of Survey No. 71, in the village of Hochihalli, Kadur Taluk. Before the sale was confirmed and possession given, the Excise Commissioner objected to the land being given for cultivation, on the ground that it was required for a toddy grove. The petitioner (purchaser at a darkhast sale) was called upon to take back the sale amount. He declined to do so and has appealed to Government. Government do not see reason to interfere. The appeal is rejected.

Chennabasappaswami	*Versus*	Eli Subbaiya.

Subject.

Appeal against the order of the Deputy Commissioner, Shimoga District, declining to set aside the sale for arrears of revenue of Survey No. 95 of Dombe village, Sagar Taluk.

Facts of the case.

The kandayam for the year 1898-99, on Survey No. 95, which measures 12 acres and 27 guntas and is assessed at Rs. 52, having fallen into arrears, a notice of demand was issued on 28th February 1899, to the appellant, the khatedar. Owing to his absence in British Territory, the notice was served on 3rd May 1899 on the principal inhabitants of Baradahalli village, who had paid the kandayam on the land in question

for the previous years. As the arrears were not realised, the land was declared forfeited on 18th May 1899, and posted for sale to 30th August 1899. In the sale held by the shekdar on that date, the land was knocked down to the respondent for Rs. 49, and the sale was confirmed by the Sub-Division Officer, Sagar, on 3rd October 1899. On 4th December 1899 one Rudraiya submitted on behalf of the appellant a petition to the Amildar stating that the kandayam of the land had been paid to the patel and produced a receipt alleged to have been executed by the patel therefor. The Amildar held an enquiry and submitted the proceedings to the Sub-Division Officer, who held on 15th July 1899 that the receipt produced was not genuine. On 6th September 1901, the appellant appealed to the Deputy Commissioner praying for the cancellation of the sale on the ground that the demand and sale notices were not served on him and that the sale was conducted fraudulently, even though the kandayam had been paid. The Deputy Commissioner observed that the appeal was time-barred and declined to interfere in the sale which was held regularly. Hence the present appeal to Government, in which the appellant urges that the village officials failed to credit the kandayam paid on the land in question and that the land worth Rs. 1,200 had been sold for the very low price of Rs. 49.

Decision.

The sale was held after the observance of the prescribed formalities. The alleged payment before the date of sale was not proved. Government see no reason to interfere with the Deputy Commissioner's order declining to cancel the sale. The appeal is rejected.

Subject.

Appeal against the order of the Deputy Commissioner, Tumkur District, declining to register in appellant's name either the shanbhogi firka of Nelagondanhalli or that of Harisamudra of Tiptur Taluk, which once stood in the name of his deceased uncle Ramachandrayya.

Facts of the case.

One Ramachandrayya, a paternal uncle of the appellant, was the registerdar of the two shanbhogi firkas in question, and he died issueless about 16 years ago. Since the year 1880-81, or for over 20 years, the 1st respondent, a brother of the deceased, and the 2nd respondent's adoptive father Dod Puttusamayya, a gnati, had been performing the shanbhogi duties of the villages comprising the two firkas. The question of changing the registry of the offices having for the first time arisen in 1899, since the death of Ramachandrayya, the Deputy Commissioner, Mr. M. Narain Rao, directed on 28th December 1900, that the shanbhogi of Harisamudra firka be registered in the name of the 1st respondent and that of Nelagondanhalli in the name of the 2nd respondent's adoptive father, since deceased. On appeal the present Deputy Commissioner, in 1901, declined to interfere with his predecessor's decision.

Decision.

At the potgi settlement made in December 1900, the Deputy Commissioner confirmed each firka in dispute in the name of the 1st respondent and 2nd respondent's adoptive father's name respectively. When appellant appealed against this order in 1901, the Deputy Commissioner declined to consider appellant's claim. The two hakdars nominated to the two circles in December 1900, belonged to the family of the last officiator and were actually doing the work of the villages comprised in the two circles for over 16 years. They were rightly given a circle each. No doubt appellant is the son of a brother of the last office-holder and baravarddar, but this brother never performed the duties of the office. Government do not see reason to interfere with the order of the Deputy Commissioner. Appeal rejected.

Subject.

Appeal against the order of the Deputy Commissioner, Hassan District, cancelling the sale to the appellant of land Survey No. 11 of Santanahalli village, Arsikere Taluk.

Facts of the case.

On the darkhast of one Girigauda, the land in question was put up to auction on 31st May 1900, in which the highest bid was only Rs. 34. On the ground that the sale notice had not received full publicity, the Amildar ordered a fresh sale to be held on 1st August 1900. On being informed of the re-sale, the respondent, who held inam lands right round the Survey number in question applied to the Amildar on 22nd July 1900, *i.e.*, eight days previous to the date of sale, for the land being granted to him for an upset price. This application received no notice, and the sale was held on the date fixed. In the sale the appellant and the respondent's agent were the only competitors, and the land was eventually knocked down to the appellant for Rs. 201 *i.e.*, a rupee above the bid of the respondent's agent. The Assistant Commissioner in charge of the taluk confirmed the sale, and the land was put in possession of the appellant on 12th January 1901. On appeal the Deputy Commissioner set aside the sale on the grounds, firstly, that it was held at 9 A.M., secondly, that the land was not valuable, the high bids being the result of keen competition between the appellant and the respondent, thirdly, that the land being situated amidst the latter's lands, its grant to others would lead to needless disputes. He directed the grant of the land to the respondent on his paying to the appellant, as agreed, the purchase money plus Rs. 10 and any outlay the appellant might have incurred in improving it.

Decision.

The order passed by the Deputy Commissioner is an equitable one. The land in question is surrounded by respondent's lands and this is a case in which the Deputy Commissioner would, in the first instance, have exercised a wise discretion in granting the land to the respondent for an upset price. This not having been done, the Deputy Commissioner has adopted the next best course and ordered the grant of the land to the respondent on payment by him of the sale amount and compensation to the appellant for the disturbance. The order is correct and is confirmed. Appeal rejected.

Appeal No. 110 of 1902-03.

Appellant		Respondent
Varadaiya	*Versus.*	Kenchaiya

Subject.

Appeal against the order of the Deputy Commissioner, Tumkur District, directing the appellant to hand over the charge of the shanbhogi office of Muthugadahalli circle to the respondent.

Facts of the Case.

One Kenchaiya was the original registered shanbhog of ten villages which were subsequently comprised into Nagalapur and Muthugadahalli circles consisting of five villages each in the Turuvekere Sub-Taluk. He had six sons—Ramaiya, Krishnappa, Varadaiya (appellant), Venkatesaiya, Narnappa and Gundappa—of whom Krishnappa and Narnappa died issueless and Venkatesaiya and Gundappa died leaving behind them Narnappa and Subbaiya (sons of Venkatesaiya) and Kenchaiya (son of Gundappa). In 1895, Narnappa and Subbaiya filed a suit for recognition of their share of the shanbhog's hak and for recovery of possession of the office against Ramaiya, Varadaiya (appellant) and Kenchaiya (respondent), in the Assistant Commissioner's Court (Revenue Suit No. 16 of 94-95), in which it was decided that Narnappa and Subbaiya (together forming one), Ramaiya, Varadaiya and Kenchaiya were ½-hissedars each and that Narnappa and Subbaiya (together) and Ramaiya should perform the shanbhogi duties of Nagalapur circle by turns of one year each, and similarly the appellant and the respondent should perform the shabhogi duties of Muthugadahalli circle by turns of one year each. As the respondent was a minor, the appellant alone continued to perform the duties of the shanbhogi office in question till 1900, when the respondent, having attained his majority applied for execution of the above decree. The appellant was accordingly asked to hand over the charge of the office to the respondent, which he refused to do and petitioned to the Deputy Commissioner on 18th December 1901, that he might be permitted to continue in office tillt he end of the official year. The Deputy Commissioner granted this request and ordered that he should hand over the charge of the office to the respondent from the 1st of July 1902. The appellant, however, failed to hand over the charge till January 1903, when he was obliged to do so by the adoption of coercive measures. Hence the present appeal to Government.

Decision.

Government do not see that the appellant has any case to go upon. The enjoyment by rotation has been decreed by a competent Court, and this order has not been set aside. If the Government had had to deal with the original order, they would perhaps have revised the order about the period allowed for officiating in rotation, but the present question is only as regards giving effect to the order which is still in force. Government see no reason to interfere.

Appeal against the order of the Deputy Commissioner, Hassan District, directing the transfer of patta of Survey Nos. 154 and 202 of Shanka village, Hassan Taluk, from the name of the appellant to that of the respondent.

Facts of the Case.

The lands in question, which originally stood in the khate of one Narasimmachar, became the property of one Kasi Venkatachar from whom by a series of private sales, they came to be possessed and enjoyed by one Attawara Lakshmamma, the sister-in-law of the respondent. After Lakshmamma's death, the respondent got possession of the lands. Nevertheless the khate continued to remain in the name of Narasimmachar and after his death in the name of his daughter-in-law and finally in that of the appellant. In 1897-98 when the appellant on the strength of being the khatedar offered to pay the kandayam on the said lands, the respondent objected and after some correspondence, the Deputy Commissioner directed that the khate should be transferred to the name of the respondent.

Decision.

This is a case of transfer of patta. The Deputy Commissioner's order is final. This appeal is rejected accordingly.

Subject.

Application for review of Government Order No. Pet.—1657, dated 8th May 1901, directing that the encroached portion adjoining Survey No. 77 of Nijagur village, Tirthahalli Taluk, should be given to the khatedar (counter-petitioner) of the said number.

Facts of the case.

The counter-petitioner is the khatedar of Survey No. 77 of Nijagur which had been permanently leased out by the counter-petitioner's father to the petitioner's father, who and subsequent to him his son have been enjoying the land in pursuance of the lease. During the jamabandi of 1897-98, it was reported that the petitioner had encroached upon 12 guntas of the adjoining gomal Survey No. 75 and had planted arecanut, plantain and other fruit trees thereon, which were found to be about 18 years old. The Deputy Commissioner, who was also the jamabandi officer, ordered

that a fine amounting to 12 years' kandayam on the encroached portion (which was subsequently numbered as Survey No. 87) should be recovered from the petitioner and the land sold by public auction as it could not be given to the petitioner who was not the khatedar of the adjoining land. Against this order the counter-petitioner appealed to Government urging that the encroached portion (Survey No. 87) should be given to him as he was the khatedar of the adjoining land Survey No. 77. The Government in their Order No. Pet.—1657, dated 8th May 1901, directed that the encroached portion should be given to the counter-petitioner after recovering from him 12 years' kandayam on it. Thereupon the petitioner submitted an application to His Highness the Maharaja praying for review of the Government Order on the ground that he was the Mulagenidar of the adjoining land Survey No. 77 and that he has been paying a permanent gutta of Rs. 54 (including kandayam) to the counter-petitioner, the khatedar.

Decision.

It is clear that the Government Order dated 8th May 1901 was passed under a misapprehension. It overlooked the fact that the newly formed Survey No. 87 was encroached upon and planted by petitioner who was a permanent lessee or Mulagenidar of the khatedar, counter-petitioner, of the adjoining land Survey No. 77. The Order should properly have granted the new survey number to petitioner Virappa. It is understood that the fine of 12 years' assessment imposed by the Deputy Commissioner and confirmed in the Order of Government noted above, has been recovered from the khatedar, counter-petitioner. This should be refunded to him and levied from petitioner Virappa.

2. This Order cancels the Order of Government dated 8th May 1901, and subsequent proceedings. The land Survey No. 87 will now be granted to petitioner Virappa without sale, on his paying the fine of 12 years' assessment above mentioned.

Appellant	*Versus*	Respondent
Basavegauda.		Yalakki Ranga.

Subject.

Appeal against the order of the Deputy Commissioner, Tumkur District, declining to cancel the sale of a certain vacant site claimed by the appellant as his private property.

Facts of the Case.

On the darkhast of the respondent, dated January 1901, for the vacant site in question in Habukanahalli village, Tiptur Taluk, the shekdar reported the fact of the shanbhog having certified that the site was the appellant's hittal, that in consequence no vacant site assessment was imposed on it in 1894; but that the villagers stated the site to be the property of Government. Thereupon the Amildar, Mr. M. Ranganatha Rao, directed the sale thereof by auction. The shekdar noted on the back of the sale proclamation that the appellant refused to sign it on the ground that the site was his. In the sale held on 9th May 1901, the respondent purchased the site for Rs. 20, but as the full sale amount was not paid in time, a re-sale was ordered by the same Amildar. The appellant, in the meanwhile, on 10th May 1901,

submitted a petition to the Amildar claiming the site to be his private property, and on being called upon to adduce documentary evidence in support of his title, he relied upon his enjoyment of the site and upon the non-imposition of any tax on it, but said that he had no documentary evidence to offer. The Amildar, Mr. M. Ranganatha Rao, directed, however, on 15th September 1901, that the re-sale should be held. The shekdar held the second sale and submitted the sale records to the Amildar with the remark that the site was said to be private property, that it was not included in the list of vacant sites belonging to Government, that the shanbhog testified to this fact in his deposition dated 18th October 1901, that there were two parties in the village, one of which testified to the above, while the other party said otherwise, and that the raiyats of the adjacent village of Mavinahalli corroborated the shanbhog's statement. But as before the confirmation of this second sale, a higher bid was offered by one Linga, a third sale was ordered by the Amildar, Mr. H. Sitaramaiya, and in this sale held on 21st July 1902, the respondent purchased the site for Rs. 20. The Assistant Commissioner, Mr. Paramasiva Iyer, confirmed the last sale on 8th September 1902 and the Deputy Commissioner, Mr. M. S. Narayana Rao, on appeal, affirmed the Assistant Commissioner's order.

Decision.

This appeal is against the order of the Deputy Commissioner confirming the sale of a piece of vacant building site. The contention of the appellant is that the site belongs to him. Government regret to observe that the Amildar and the higher authorities have not taken the trouble to satisfy themselves that the site was Government site not in the possession of any private person and available for disposal, before they proceeded to sell it. In the records there is ample evidence to show, both from the statement of the shanbhog and of the villagers, that the site formed part of the appellant's hittal and that it had, on that account, not been brought under assessment, under the order of 1894 and that it was also not shown as Government waste land. The Amildar has attempted to throw on the appellant the onus of proving that it formed part of his compound. This was wrong in the face of the facts adduced at the enquiry made in the village.

The proceedings are irregular in that a piece of land, *prima facie* the property of a private individual has been sold by Government agents, without their satisfying themselves that it was Government land available for disposal by sale or otherwise. The entire proceedings are set aside as irregular and taken without jurisdiction. Government understand that the respondent, the purchaser at the auction sale has put up a building on the site. He must have done this with his eyes open, as the appellant has all along been contesting the right of Government to deal with the site. This appeal is accordingly allowed.

(1) The following letter No. 474, dated the 7th June 1903, from Mr. B. Ramaswami Iyer, Forest Settlement Officer, to the Officiating Conservator of Forests in Mysore, through the Deputy Commissioner, Chitaldrug District:—

I have the honor to report the conclusion of the settlement of the Devargudda Forest in the taluks of Holalkere and Hosdurga, Chitaldrug District.

2. The initial Notification under Section 4 of the Forest Regulation, proposing to constitute this area into a State Forest, appeared at page 465 (Part I, English) of the *Mysore Gazette* dated 11th July 1901, and the proclamation by the Forest Settlement Officer under Section 5 of the said Regulation was published at pages 493-94 (Part II, Kanarese) on the 19th September 1901.

3. The time allowed for the presentation of claims expired on the 18th December 1901.

4. The forest was carefully inspected and perambulated and the claims were enquired into in September and October 1901 and in January 1902.

5. In all, 68 claims were preferred for the following rights:—

(1) 22 claims to patta lands.

(2) 5 claims to rights of public way.

(3) 15 claims to temples, topes and kattes and rights of way thereto, and

(4) 26 claims to free grazing in gomal lands.

All the claims to patta lands involved in item No. (1) were admitted. The fields claimed in 18 cases have been acquired under the Land Acquisition Act and will be included in the State Forest; in the remaining cases, the lands have been excluded, by an alteration of the proposed boundary of the forest. The total area of occupied lands decided to be taken up, is 327 acres 14 guntas, for which a money compensation of Rs. 1,213-8-0 together with *37 acres and 14 guntas of lands in exchange for some of the lands acquired has to be awarded.

	Survey No.	Area A. g.		Assessment Rs. a. p.		
*Honnenhalli...	167 Assessed waste	14	10	at	3	8 0
Madhre ...	81 ditto	13	4		4	0 0
Do ...	12 (gomal)	10	0			
	Total ...	37	14			

The claims to rights of way involved in item No. (2) have been admitted with the exception of one claim over a foot-path which was considered unnecessary.

The claims to visit shrines and sacred spots, etc., referred to in item No. (3) have been accepted and adequate provision made wherever necessary for rights of way and camping ground for holding jatras and processions.

As regards the claims to free grazing lands, sufficient provision has been made outside the forest boundary and no concession has been allowed to be exercised in the State Forest.

6. The appeal petitions presented against the decision of the Forest Settlement Officer were disposed of by the Deputy Commissioner in May 1903.

7. The following records are herewith submitted:—

1. Register B. "Claims disposed of."
2. Register C. Statement of lands.
3. Draft Notification under Section 17 of the Forest Regulation.
4. A sketch map of the forest, and
5. An explanatory Memo in the margin of copy of Conservator's letter No. 1836, dated 9th October 1902, to the Deputy Commissioner of the District, in reply to the observations and queries therein contained.

8. The date from which reservation is to take effect under Section 17 of the Forest Regulation has to be kindly inserted in the draft Notification.

12	Timmauna and others of Gulihatti.	30th October 1901 ..	Claim the right of free grazing in Survey Nos. 23 and 24.	Supported by village accounts	Admits claim and wishes to acquire the fields.	Claim admitted The land will be acquired and Survey No. 16 will be converted into Gomal and Survey No. 24 will be set apart and retained as an enclosure wherein the raiyats of this village will be permitted to remove firewood and unclassified trees free of charge. Grazing will also be allowed on half payment (Id.) B. R.	Survey No. 24 (gomal) may be excluded altogether. No concession need be admitted within the Forest. I accordingly decide that Survey No. 23 measuring 465 acres and 26 guntas be included in the Forest (Sd.) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.	
13	Patel Siddaiya and others of Mallapura.	31st October 1901 ...	Claim the right of free grazing in Survey Nos. 6 and 7	Ditto ...	Admits claim and wishes to acquire the fields.	Claim admitted. The fields will be acquired as the village is Beshrakh. (Id.) B R.	Survey Nos. 5, 6 and 8 may with advantage be excluded along with Survey No. 24 of Gulihatti to secure a fairly straight boundary line. (Sd.) H. Ramanuja Iyengar, Dy. Comr 12-5-03.	
14	Patel Sankaralingaiya and others of Doddagatta.	Ditto ...	Ditto in Survey Nos 85, 86 and 87	Ditto ..	Ditto ...	Claim admitted. The fields will be acquired, and Survey Nos 25 (part), 29 and 45 measuring in all 185 acres and 30 guntas will be converted into Gomal. Survey Nos. 25 (part) and 85 will be made an enclosure for the free removal of firewood, etc. Grazing will be permitted at half the usual charge. (Id.) B. R.	Survey Nos 85 and 86 will be excluded from the Forest altogether. This allotment is considered ample for the village requirements. Part of Survey No. 25 should also be excluded along with Survey Nos. 85 and 86. (Sd.) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.	

15	Ditto ...	Ditto ...	Claim on behalf of the public, the right of way over a cart-track leading from Doddagatta to Aavinkatte.	It is much used ...	Admits claim ...	Claim admitted. Right of way (12 feet wide) for men, cattle and carts will be allowed all the year round. (Id.) B. R.	
16	Ditto ...	Ditto ...	Claim on behalf of the public, right of way over a cart-track along Kaibitta Hunse leading from Doddagatta to Santhenahalli.	Ditto ...	Ditto ...	Ditto ... (Id.) B. R.	
17	Patel Bhairaiya and others of Bylahalli.	Ditto ...	Claim the right of free grazing in Survey No. 9	Supported by village accounts.	Admits claim and wishes to acquire.	Claim admitted. The field will be acquired as the village is Bechirakh. (Id.) B. R.	As sufficient provision has been made for the free grazing of the village cattle of Doddaghatta including those of its hamlets, this appeal is rejected. (Sd.) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.
18	Ditto ...	Ditto ...	Claim on behalf of the public, right of way for men and cattle to Eranuankere tank in Survey No. 18 of Karadikatte.	.....	Says right of way may be granted.	Claim admitted. Right of way 6 feet wide will be allowed all the year round for men and cattle. (Id.) B. R.	
19	Nanjaiya and others of Devapura.	2nd November 1901 ...	Claim the right of free grazing in Survey No. 216	Supported by village accounts.	Admits claim and wishes to acquire the field.	Claim admitted. The field will be acquired as plenty of land for free grazing is left outside the boundary. (Id.) B. R.	No appeal.
20	Tulsi of Sannasihalli...	Ditto ...	Claims patta right over Survey No. 217	Ditto ...	Admits claim and states that the field may be excluded.	Claim admitted. The field will be excluded. (Id.) B. R.	
21	Patel Giriyappa and others of Honnenahalli.	Ditto ...	Claim the right of free grazing in Survey No. 95	Ditto ...	Admits claim and wishes to acquire the field.	Claim admitted. The field will be acquired ; kharab No. 1 will be converted into Gomal in exchange. Grazing will be permitted at half the prescribed rates all the year round. (Id.) B. R.	The village has 716 head of cattle, the allotment made by the Forest Settlement Officer for free grazing and other purposes is inadequate. I therefore direct that Survey No. 95 (gomal) be entirely excluded from the Forest. (Sd.) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.

57	Kasturappa and others of Mavinkatte.	2nd October 1901 ..	Claim the right of free grazing in Survey No. 25.	Borne in the village accounts.	Admits claim and wishes to acquire the the field.	Claim admitted. The land will be acquired Grazing will be permitted at half the prescribed rates all the year round. (Id) B. R.	55 acres of gomal will be left out of Survey No 25, and as this is insufficient, Survey Nos. (Assessed waste) 20, 21, 22, 23, 24, 26 27 and 28 measuring 164½ acres will be recommended for conversion into gomal. No concession need be shown within the Forest limits. (Sd.) H Ramanuja Iyengar, Dy Conr. 13 5 03	
58	Ditto ...	Ditto ..	Claim on behalf of the public, a temple in Survey No. 25 dedicated to Anjaneya and a tope and a pond in the same number	..	Admits claim	Claim admitted Right of way 12 feet wide for men, cattle and carts to the temple and camping ground 10 acres near it containing a tope and a pond will be allowed (Ind.) B R.		
59	Patel Kenchaiya and others of Beesanahalli.	30th September 1901...	Claim the right of grazing in Survey No 25	Supported by village accounts	Admits claim and wishes to acquire the land.	Claim admitted. The land will be acquired. Grazing in the State Forest will be permitted on half payment. (Ind) B R.	A portion of Survey No 25 measuring about 18 acres will be left out The area of gomal remaining for the village will be 103 acres and 39 guntas. (Sd.) H Ramanu Aengar, Dy Conr. 12-5-03	
60	Ditto ...	Ditto .	Claim on behalf of the public, right of way over the cart-track to Bairedevarakallu in Survey No. 22 of Kabla passing thro' Survey No. 25 of Beesanahalli.	.. ...	Admits claim ..	Claim admitted Right of way 12 feet wide leading from Mavinkatte-Gulihatti cart-track will be allowed all the year round. (Ind.) B. R.		This claim is unnecessary as the western portion of Survey No 25 is excluded.

61	Patel Kambada and others of Kabla	1st October 1901 ...	Claim the right of free grazing in Survey Nos 21, 22 and 24	Borne in village account.	Admits claim and wishes to acquire the land.	Claim admitted. The fields will be acquired. The cattle of this village will be permitted to graze in the Forest on half payment.	Parts of Survey Nos. 24 and 21 included within the line of the Forest Settlement, will be excluded. The total area of gomal thus allowed to the villagers is 118 acres. Concessionary rate for free grazing need not be given. (Sd.) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.
62	Ditto ...	Ditto	Claim on behalf of the public, a shrine called Bairedevarakallu in Survey No. 22.	... ..	Admits claim ...	Claim admitted. Right of way 6 feet wide for men only, to the shrine, will be allowed all the year round, and a small camping ground 5 acres close to it allotted. (Id.) B. R.	.....
63	Rangajja and others of Ugnikatte.	10th October 1901 ...	Claim the right of free grazing in Survey Nos. 67 and 68.	Borne in village account.	Admits claim and wishes to acquire the land.	Claim admitted. The fields will be acquired. Survey Nos. 58, 61, 62, 63 and 71 will be converted into gomal. (Id.) B. R.	I decided that Survey Nos. 10, 67, 68 and 69 be taken up. The appeal is rejected, as the area of gomal left outside the forest, (viz. 224 acres and 37 guntas) is quite ample for the village cattle (300). (Sd.) H. Ramanuja Iyengar, Dy. Comr 12-5-03.
64	Patel Kallappa and others of Santhenahalli.	11th October 1901 ...	Claim the right of free grazing in Survey No. 26.	Borne in village account	Admits claim and wishes to acquire the land	Claim admitted. The land will be acquired Survey Nos. 25, 27, 28, 48, 49, 50, 1¼, 21, 23 and 36 will be converted into gomal. (Ind.) B. R.	I decide that the demarcation line may be laid along the foot of the hill in Survey Nos. 25 and 26. The villagers will then have acres 224 and guntas 10 of gomal including acres 65 and guntas 20 of kharab (out of Survey No. 25) to be converted into gomal. This will be sufficient for 452 cattle in the village. (Sd.) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.
65	Shanbhog Subbanna and others of Locadolalu.	Ditto ..	Ditto in Survey No. 16.	Ditto ..	Ditto ...	Claim admitted. The land will be acquired. Kharab Nos. 8, 14, 22 and 79 will be converted into gomal and Survey Nos. 5, 6 and 7 will be transferred to Bommankatte as some gomal lands of that village have been set apart in favor of the Holalkere village. (Ind.) B. R.	The area of gomal left outside the forest boundary is acres 546 and guntas 17 which is more than sufficient for 397 cattle in the village. The Forest Settlement Officer proposes the transfer of Survey Nos. 5, 6 and 7 of this village to Bommankatte. I do not approve of this proposal. (Sd) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.

66	Subbanna and others of Locadolalu.	Ditto ...	Claim on behalf of the public a temple in Survey No. 16 dedicated to Sriranganathaswamy and a tank and some mantapams in the same number.	This is much visited by people. Jatras are held periodically.	Claim admitted ...	Claim admitted. Right of way 10 feet wide to men only and camping ground 10 acres around it and 20 acres comprising a tank and some mantapams on the way up the hill will be allowed. (Id.) B. R.		
67	The miyats of Bommankatte.	Ditto ...	Claim the right of free grazing in Survey Nos. 20 and 21.	Borne in village accounts	Admits claim and states that these fields may be excluded.	The fields will be excluded from the Forest. Kharab Nos. 14 and 22 will be converted into gomal and gomal Nos. 16 and 17 will be transferred to Holalkere as Survey Nos. 5, 6 and 7 have been transferred from Locadolalu in favor of this village. (Id.) B. R.	As Survey Nos. 299 and 300 of Holalkere have been ordered to be excluded from the Forest, there is no necessity to effect any transfer of lands as suggested by the Forest Settlement Officer. (Sd.) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.	
68	Satu Mallappa and others of Holalkere	25th October 1901 ..	Ditto in Survey Nos. 299 and 300.	Supported by village accounts.	Admits claim and wishes to acquire the land.	Claim admitted. The land will be acquired Kharab Nos. 16, 18, 19, 22, 23, 25, 44, 232, 273, 274, 276, 310 and 369 will be converted into Gomal and Survey Nos. 16 and 17 will be transferred from Bommankatte. (Id.) B. R.	The portion of gomal left for the villagers is reported to be rocky and unfit for cattle grazing. It is decided that Survey Nos. 299 and 300 be excluded. The transfer of lands from Bommankatte is unnecessary. (Sd.) H. Ramanuja Iyengar, Dy. Comr. 12-5-03.

3. *Orders regarding Officers' pay.*—The allowances for Adjutant, Quarter Master and Riding Master will be drawn by the Jamadars holding the appointment.

Officers will, in future, be promoted regimentally as vacancies occur, according to fitness, and will no longer receive increase of grade pay by mere length of service in any grade.

Officers proceeding on leave of absence (other than ten days' casual leave) will forfeit the allowance (if any) of their regimental appointment, and merely draw the grade pay of their rank.

When the allowances of a regimental appointment become thus available, they will be drawn by the officer who officiates in the vacant appointment.

An officer is not permitted to draw the allowances of two regimental appointments.

When therefore an officer officiates in an appointment with higher allowances than his own, he must relinquish the allowances of his permanent appointment to the junior appointed to act in his place.

Absence on leave of a Regimentdar or Resaldar, or a Jamadar who is either Adjutant, Quarter Master or Riding Master, will thus invariably give a temporary increase of pay to a certain number of junior officers; the number so benefited will depend on the regimental position of the absentee.

4. In regard to the present establishment of Peishcars, such as have completed service for pension shall be retired at once, and those retained will draw Rs. 31 each plus an allowance of Rs. 4 per mensem till retired.

5. *As regards Kit.*—It must be clearly understood that the entire cost of equipment, line-gear saddlery, etc., will be borne by the men with the exception of the following kit:—

Items.	Approximate cost.		Duration
	Non-Commissioned Officers.	Lance Dafadars and Sowars.	Years.
	Rs. a. p.	Rs. a. p.	
1 Full dress coat	7 8 0	2 8 0	3
1 Ditto breeches	5 2 0	5 2 0	2
1 Ditto Puggri	9 6 0	6 0	1
1 Ditto Kullah			
1 Kummerband	1 6 0	1 6 0	4
1 Lance Flag	.....	0 4 0	1
1 Pair dark blue patties	1 4 0	1 4 0	1
1 Pair ankle-boots	5 8 0	5 8 0	1
1 Pair socks	0 12 0	0 12 0	1

Note.—These articles are the property of Government and must be returned to stores when their period of use has expired.

All line-gear and equipment must be of one pattern, and obtained from the Stores.

The maximum stoppage in any month on account of equipment is limited to Rs. 4-9-9, for a Sowar, Rs. 6 for other Non-Commissioned ranks and to half pay for Officers.

6. *Sowar Food Compensation.*—Compensation for dearness of grain will be granted to Non-Commissioned Officers and Sowars when the selling price of ragi falls below 18 seers per rupee and gram (kulthi) 16 seers per rupee.

7. This compensation will be calculated on one seer (Bangalore measure) of Ragi per diem per man and $3\frac{1}{2}$ measures kulthi per diem per horse on the average selling rates of these grains during the month as certified by the Deputy Commissioners of the Districts.

8. As regards dismounted pay a stoppage up to Rs. 18 * per mensem is authorised from men placed on dismounted pay for neglect of their horse, and a stoppage of Rs. 15 in cases where no blame attaches.

* This sum includes Rs. 2, Chanda subscription.

9. The Pension Rules as detailed in Part III of Government Order No. 2738-9—145 Mily., dated 28th May 1903, remain unaltered with the exception of the age limit which is fixed at 55 years of age for the Local Service Regiment as recommended by the Chief Commandant.

10. In conclusion Government observe that the Military Budget is heavy and tending to increase in cost, but a suitable branch for lopping should be found in the Cavalry detachment and Infantry Regiment garrisoned in Shimoga, a few mounted Police being, if necessary, substituted for the former.

11. Government will be glad to have proposals on this subject.

Petition No. 1242, dated 23rd December 1902, from Dharwar Parappa Setty, Pujari of the Sri Rameswara Devaru temple at Chetnahalli, Alur Sub-Taluk, appealing against the order of the Deputy Commissioner of the Hassan District, directing his removal from the Pujarishiip of the said temple.

And—

Letter No. 448, dated 10th March 1903, from the Deputy Commissioner, Hassan District, reporting on the above.

No. 597-605—MUZ. F. 30-03, DATED BANGALORE, 1ST SEPTEMBER 1903.

ORDER THEREON.—The facts of the case are as follow :—

The Rameswara Devaru temple at Chetnahalli in the Alur Sub-Taluk is a Muzrai Institution endowed with some Inam lands. Prior to 1895, some of the residents of the village had been performing the Puja themselves and enjoying the produce of the Inam lands endowed to the Institution. Dharwar Parappa Setty, the appellant, having gone to that village in search of an employment in 1895, the villagers that were actually in possession of the temple Inam lands with some others, appointed him as Pujari of the temple and gave him the possession of the Inam lands, on condition of his performing the Puja regularly and of executing certain repairs to the Institution. This they did without the sanction of any of the local Officers. The arrangement worked smoothly till 1900, when, owing to factions in the village, Mallegowda and a few others began to put in complaint petitions against the Pujari, alleging that he was not performing the Puja service in the temple regularly, and that, as had been previously agreed to by him in his karar of 1895, he had not effected the required repairs to the Institution. The local enquiry held by the Deputy Amildar of Alur Sub-Taluk showed that the allegations contained in the petition were not true and that the complaint petition was only an outcome of the misunderstanding between the Pujari and some other persons in the village. Thereupon the Deputy Amildar, Mr. Krishnappa, reported to the Deputy Commissioner that of the two factions that existed in the village, one party was in favor of the Pujari and the other against him, that all the residents of the village other than the petitioners had given a Mahazar in favor of the Pujari, that he had improved the temple lands, etc., and that under these circumstances there was no reason why he should be removed on the mere complaint petition of some of his opponents. Upon some further enquiry, however, the Deputy Commissioner, Mr. Devaraj Urs, passed an order in October 1902, directing the removal of Pujari Parappa Setty from his office, the chief grounds therefor being that he was not agreeable to the wishes of the villagers, that he had not been appointed by Government and that the temple was not kept in good condition. At the same time, the Deputy Commissioner was of opinion that the allegation of the petitioners that the Pujari was not a man of good character, was not borne out by the records. Hence the present appeal.

2. Upon a consideration of this case the Government observe that the dismissal of the appellant by the Deputy Commissioner is not altogether justified by the facts. There are factions in the village, and from the records of enquiry submitted by the Deputy Amildar Mr. Krishnappa it is clear that the temple was in good condition and service was being duly performed. The Government disagree with the Deputy Commissioner and direct that that order should be set aside and the appellant restored to his office as Pujari.

3. Another irregularity observed in this connection is the villagers having undertaken to appoint their own Pujari to a Muzari Institution without the knowledge and sanction of the local Muzrai Officers. This practice wherever it exists should at once be put a stop to.

Correspondence ending with letter No. 1599, dated 6th June 1903, from the Deputy Commissioner, Kadur District, recommending the grant of Rs. 150 out of the Kalasa temple funds to the Sri Subrahmanyeswaraswami temple at Haluvalli in the Mudgere Taluk.

No. 671-2—MUZ. F. 137-92, DATED BANGALORE, 10TH SEPTEMBER 1903.

ORDER THEREON.—From the records received with the above it is ascertained that the Haluvalli Sri Subrahmanyeswaraswami temple is situated in Mavinkere, an inam village attached to the Sri Kalaseswaraswami temple at Kalasa, on the banks of the Bhadra River on the Kalasa-Balehonnur road at a distance of 3 or 4 miles from Kalasa. It appears that there is a large gathering of people during the car festival and that travellers halt at the place during the monsoons when there are heavy floods in the river. Taking all these circumstances into consideration, Government sanctioned Rs. 750 from the Kalasa temple funds and got certain necessary repairs executed and some additional accommodation provided in the temple in question.

2. The income of the temple is a Malnad cash grant of Rs. 12 per annum, which is paid to the Archak. The Deputy Commissioner now proposes to increase this allowance by Rs. 150 per annum, to be paid from the funds of the Kalasa temple for expenditure as shown below :—

	Rs.
Archak on pay Rs. 3 per mensem	36
For Paditara do	18
For feeding 500 persons during the car festival	60
For Nandadeepa (prepetual lamp)	24
For Tantrika service	12
Total ...	150

3. Considering the circumstances stated above, the Government see no objection to give some further help to the temple in question from the funds of the Kalasa temple, but the proposed additional allowance of Rs. 150 per annum is much too high and out of all proportion to the cash grant of Rs. 12 per annum now enjoyed by the temple; the Government are therefore pleased to sanction the following items alone with effect from 1st September 1903 :—

Pay of the Archak at Rs. 3 per mensem or Rs.	36	per annum.
Paditara ... ... „	18	„
Total ...	54	„

The present cash grant of Rs. 12 should be used for Nandadeepa. The large sum of Rs. 60 provided for the car festival and the sum of Rs. 12 for Tantrika service, are disallowed. These should be arranged for from the income from devotees, of whom it is said there is a large gathering every year, or a *Golaka* should be kept in the temple, from the proceeds of which such expenses may be met, with the special sanction of Government. The sum of Rs. 54 per annum sanctioned above to the Sri Subrahmanyeswaraswami temple at Haluvalli will be met from the funds of the Sri Kalaseswaraswami temple at Kalasa.

4. The Peshkar of the Kalasa temple should pay periodical visits to the Sri Subrahmanyeswaraswami temple in question and see that the services are rendered properly in view of the additional income now sanctioned. The Deputy Commissioner will issue needful instructions in the matter.

ORDER THEREON.—The petitioners represent that lands of the jodi valuation of 12 varahas and 4 phanams in the two villages of Sogala and Garakahalli in the Channapatna Taluk as per particulars given in the annexed statement, had been granted as inam to the marginally noted 9 temples and that in the sanad granted by His Highness the late Maharaja Krishnaraja Wadeyar Bahadur III on the 16th August 1826, giving the two villages in question as "Sarvamanyam" to Subbaraje Ursinavaru, mention has been made of the inam lands of the valuation of 12 varahas and 4 phanams to the temples. They further represent that the two villages were resumed to the Mysore Palace in 1892, and that they have since then been under Government management. As after the introduction of the survey and settlement into the two villages in question, survey assessment was imposed on the lands belonging to the temples, the petitioners pray for remission of the excess assessment and in consideration of their long enjoyment of the lands assigned to the temples for conducting services therein, they pray that the lands may be restored to the temples as inam, subject to the payment of a jodi of Rs. 36 as was formerly done.

2. The Deputy Commissioner reports that the lands in question were not jari inams, that they were assessed as kandayam lands during the survey settlement as they were considered to be sthal inams only.

3. The Palace Controller states that the Palace is willing to allow the sthal inams to be continued to the temples, subject to the present jodi on the usual conditions attached to Devadaya inams.

4. The Palace authorities who are entitled to the higher rates of assessment fixed by the survey settlement having agreed, the Government of His Highness the Maharaja are pleased to sanction the grant of the lands noted in the annexed statement to the temples in question as inam on the former jodi of Rs. 36. The lands will be treated as "Devadaya" inams granted for the support of the temples subject to the temples being maintained in good order and the regular performance of the prescribed services therein. The Superintendent of Inam Settlements is requested to issue, in consultation with the Deputy Commissioner, a title-deed for the grant. The necessary alterations and entries should also be made in the village accounts.

Government Proceedings No. 437—MUZ. F. 25-92, dated 11th August 1903, regarding the formation of a Special Committee to consider if any and what changes are necessary in the subjects prescribed for the Sanskrit Vidvat Examinations in their several branches.

AND—

Docket No. 4, dated 13th August 1903, from the President of His Highness the Maharaja's Sanskrit College Committee, Mysore, suggesting the names of certain Pandits who might be requested to become members of the Special Committee.

No. 743-9—MUZ. F. 25-92, DATED BANGALORE, 18TH SEPTEMBER 1903.

ORDER THEREON.—The Vidvat Examinations annually held in His Highness the Maharaja's Sanskrit College at Mysore are examinations of a very high standard in the various branches of Sanskrit learning. Candidates for these examinations come, not only from all parts of the Mysore State, but also from different parts of British India and other Native States, and after a critical examination by learned Pandits, the successful candidates are awarded diplomas with special rewards, by His Highness the Maharaja, during the Dasara Durbars in the Palace at Mysore. Examinations held under such high auspices and held in estimation all over India, have to be conducted under well considered regulations, and with this view the Government of His Highness the Maharaja are pleased to direct that a committee be formed consisting of the gentlemen named in the appended list, whose aim it should be to frame a comprehensive curriculum of studies required for preparation for the Vidvat Examinations and a code of rules for the conduct and management of those examinations. In framing these, the existing curriculum and rules in force in the Sanskrit College at Mysore may be considered and revised, and suggestions taken from the rules of similar examinations held in Calcutta, Baroda, and other seats of learning in India.

2. The Committee has been formed so as to consist of learned Pandits from Mysore, Bangalore and Melkote representing the various branches of Sanskrit learning and of a few English Bachelors and Masters of Arts, with special proficiency in Sanskrit, with Mr. V. N. Narasimmiengar, President of His Highness the Maharaja's Sanskrit College Committee, as President, and Mr. A. Mahadeva Sastri, B.A., as Secretary. This Committee will supersede the small Sub-Committee appointed by the Sanskrit College Committee, as reported to Government in letter No. 31, dated 29th May 1903, and the result of their deliberations will be submitted to Government for approval.

3. The Committee are requested to hold their meetings in the Mysore City during the ensuing Dasara holidays, when it would be convenient to all the members to attend to this work without detriment to their ordinary duties.

4. The members who proceed to Mysore for this work will be permitted to draw travelling allowances at the rates allowed by the Mysore Service Regulations, the bills being countersigned by the President of the Special Committee and submitted to Government in the Muzrai Department for sanction. The charge will be debited to the funds of His Highness the Maharaja's Sanskrit College at Mysore.

Letter No. 1604—129, dated 12th September 1903, from the Comptroller to Government, offering his suggestions in the matter of investing in the Government Savings Bank the collections made from the lands and villages endowed to the Sri Vyasarayaswami Matt at Sosale, as directed in Government Proceedings No. 2413-23—Muz. F. 57-92, dated 30th May 1903

No. 785-93—Muz. F. 57-92, DATED CAMP MYSORE, 29TH SEPTEMBER 1903.

ORDER THEREON.—In the Government Order No. 2413-23, dated 30th May 1903, it was directed that all the collections on the lands and villages belonging to the Sri Vyasarayaswami Matt at Sosale, situated in the Mysore Territories, should be remitted to the Bangalore District Treasury for investment in the Government Savings Bank in the name of the Deputy Secretary to Government in charge of the Muzrai Department. When the Amildar of the Tiptur Taluk remitted in July last a sum of Rs. 1,267-4-8 to the Bangalore District Treasury by means of P. S. T. R. (drawn in favor of the Treasury Officer) in pursuance of the Government Order read above, the latter appears to have returned them to the Amildar, with a view to know why they had been sent to him. On referring the matter to the Comptroller, asking him to issue needful instructions to the Bangalore District Treasury, that all such P. S. T. R. received from any Treasury should be accepted and immediately cashed and the amount credited to the Savings Bank Deposit as had been already directed, the Comptroller states in his present communication that the P. S. T. R. received from the Amildar of the Tiptur Taluk have been since forwarded to the Treasury Officer, Bangalore District, for realization and credit of the amounts thereof to the Savings Bank Account opened in the name of the Deputy Secretary. To obviate difficulties of the kind in future, the Comptroller suggests two alternatives. The first alternative is that the Remittance Transfer Receipts may be drawn on the Bangalore District Treasury in the name of the Deputy Secretary to Government in-charge of the Muzrai Department and not in the name of the Treasury Officer of the Bangalore District, as has been done in the case of re-

ceipts under correspondence; and that such Remittance Transfer Receipts may be sent to the Deputy Secretary *direct* by the Amildars concerned, the same being sent on by this office to the Bangalore District Treasury with proper challans, for realization and credit of the proceeds to the Deputy Secretary's Accounts. The second alternative is that the Remittance Transfer Receipts may continue to be drawn in favor of the Bangalore District Treasury Officer, entering such additional information in the receipts as will enable the Treasury Officer to credit the amounts to the Deputy Secretary's Accounts and send a list of such remittances to the Deputy Secretary once a week for his countersignature to the list as an authority for the credits. The Comptroller is further of opinion that the issue of the Remittance Transfer Receipts in the name of the Deputy Secretary appears to be the better arrangement.

2. The Government are accordingly pleased to accept the first alternative, by which means the Deputy Secretary would be kept informed of all the payments made from time to time into the Treasury and enable him to keep an account thereof in his office for ready reference. The Comptroller to Government is requested to issue needful instructions in the matter to the Treasury Officers concerned. And the Deputy Commissioners of Districts, where the Matt lands are situated are also requested to issue clear orders to all the Amildars in their respective Districts that, in view to avoid unnecessary delay in the matter of remitting the Matt amounts, they may carry on correspondence with the Deputy Secretary direct as regards P. S. T. R. and other money questions connected therewith.

Correspondence ending with letter No. 826, dated 1st June 1903, from the Deputy Commissioner, Tumkur District, reporting on the alleged alienation of the Inam lands endowed to the Srinivasadevaru and the Kesavadevaru temples at Sampige, Gubbi Taluk.

No. 799-803, DATED CAMP MYSORE, 30TH SEPTEMBER 1903.

ORDER THEREON.—At the Dasara Representative Assembly of 1897 it was represented by one of the Members from the Gubbi Taluk that the Inam lands endowed to the Srinivasadevaru and the Kesavadevaru (also called Channigarayaswami) temples at Sampige, had been alienated. The matter having been referred to the Deputy Commissioner for enquiry and report, that officer reports together with the records of enquiry, that the lands belonging to the Srinivasadevaru temple have not been alienated to any one as alleged, and that they are in the enjoyment of the temple servants, who perform the stipulated services in the temple. No orders are therefore called for in that case.

2. As regards the other temple, *viz.*, Kesavadevaru (also called Channigarayaswami), it is reported that of the marginally noted Inam lands belonging to this institution, Survey Nos. 21 and 25 have been in the possession and enjoyment of third parties quite unconnected with the temple. From the papers available in the records submitted by the Deputy Commissioner, it is observed that the alienations in these two cases go so

	Survey No.		Extent. A. G.	Assessment. Rs. a. p.

far back as 1836 and 1837. The present alienees of these numbers are reported to be one Siddalingappa, who is in possession of Survey No. 21, and one Doddananjiah and, Chikkananjiah, who are reported to be enjoying the Survey No. 25. The lands appear to have been alienated by third parties to the present alienees about the years 1836 and 1838, but it is not determinable how and when the persons who alienated them came into possession of them. It is contended by one of the alienees that the lands have been in his family for several years prior to 1836, but he has not produced any documents in support of his contention in proof of such long enjoyment. The matter therefore requires to be dealt with under clause A of Rule 2 of the Rules of 1877. The Government are accordingly pleased to direct that the lands be confirmed to the present holders, subject to payment of half the assessment direct to the temple, in addition to the assessment now being paid thereon to Government by the alienees.

3. The Jodi payable by the alienees on the two numbers, *viz.*, 21 and 25, should be determined by the Survey and Settlement Commissioner and communicated to Government in the Muzrai Department at an early date.
